#### Vinification

Traditional vinification: The grapes are pressed immediately upon arrival at the winery in pneumatic presses. Settling, cold storing for 48h. Fermentation in stainless steel vats thermo-regulated at 16/20°C to preserve the aromas. Ageing in oak barrel on total lies between 8 to 16 months with regular stirring to gain depth and complexity. 70 to 80% of new barrels.

## Soil

Stony sloping ground consisting of reddish brown limestone, rich in marl with a high potassium content.

### Colour

Pale gold colour with bright reflections.

#### Nose

Young floral hawthorn and tea notes blend with woody and toasted notes. Over time, aromas of candied fruits will bring complexity.

## Palate

It is vivacious and precise on the finish. The structure is there, full, rich and generous, with fine notes of vanilla and roasting.

#### Recommandations

The delicacy of this wine combines perfectly with foie gras, noble shellfish such as lobster, crab. Poultry and veal in white sauce also pair well. Cheeses light in taste: camembert, brie, blue, goat, gruyere ...
